1.0 Plan Summary Statement

This toxic substance reduction plan summary for Zinc (and its Compounds) accurately reflects the content of the toxic substance reduction plan for Comtech Manufacturing, a Division of Linamar Corporation (Comtech), dated December 31st, 2017.

2.0 Description of the Toxic Substance

Zinc (and its compounds) is a constituent of the raw materials used in the manufacturing of parts for the automotive industry. Zinc (and its compounds) is not created on-site.

3.0 Statement of Intent

Comtech is committed to playing a leadership role in protecting the environment. Where feasible, Comtech reduces the use of Zinc (and its compounds) in compliance with all applicable Federal and Provincial regulations.

4.0 Objectives

The objective was to identify feasible reduction options to reduce the use of Zinc (and its compounds) on-site.

5.0 Reduction Options to Be Implemented

The facility was unable to identify any reduction options that are both technically and economically feasible. Therefore, no reduction options to reduce the use of Zinc (and its compounds) will be implemented at the facility at this time.

6.0 Certifications

Certifications from the Highest Ranking Employee at the facility as well as the Licensed Toxic Substance Reduction Planner are attached.

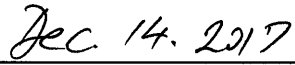

CERTIFICATION BY HIGHEST RANKING EMPLOYEE

As of December 14th, 2017, I, Zlatko Cado certify that I have read the toxic substance reduction plan for the toxic substance referred to below and am familiar with its contents, and to my knowledge the plan is factually accurate and complies with the *Toxics Reduction Act, 2009* and Ontario Regulation 455/09 (General) made under that Act.

Zinc (and its Compounds)

Zlatko Cado
General Manager
Comtech Manufacturing, a Division of Linamar Corporation

Date

CERTIFICATION BY A LICENSED PLANNER

As of December 14th, 2017, I, Melissa Gould, certify that I am familiar with the processes at Comtech Manufacturing, that use or create the toxic substance referred to below, that I agree with the estimates referred to in subparagraphs 7 iii, iv and v of subsection 4 (1) of the *Toxics Reduction Act, 2009* that are set out in the plan dated December 31st, 2017 and that the plan complies with that Act and Ontario Regulation 455/09 (General) made under that Act.

Zinc (and its Compounds)
